This stunning Boutique Hotel is located on two and half acres of meticulously landscaped grounds that offer Commanding White Water Ocean views of the Pacific Ocean and Abundant Wildlife. The property is an exclusive luxury hotel consisting of ten bedrooms and a manager's studio apartment on the third floor with a small kitchen and full bathroom. The hotel is approximately 11,000 square feet of construction. The highest quality North American building standards and materials have been incorporated throughout this amazing property. The attention to detail is apparent with beautiful ceramic tile floors and inlaid mahogany design. All ten bedrooms have a private balcony and most rooms have stunning ocean views. The rooms are turnkey furnished with quality bedding with full ensuite bathrooms. The second floor has a very large common area with a pool table, foosball, flatscreen TV, along with sofas and chairs perfect for entertainment with friends and family. The massive infinity pool with swim up bar is the focal point of the property offering spectacular views of the Pacific Ocean and the Beach of Esterillos Centro & Esterillos Oeste down below. The swim up bar faces a serving area complete with a beautiful Rancho area perfect for outdoor entertaining and dining. There is a large sitting area with glass top patio tables and chairs beyond the serving area, all under a beautiful natural wood and thatched rancho. The pool flows into a large infinity Jacuzzi where guest can relax while overlooking the Pacific Ocean. There is a separate detached caretaker apartment with a large oversized covered deck perfect for a yoga studio. The property is ideal for a large group gatherings, weddings, yoga camp, surf camp, corporate retreats, recovery center, and could also easily be converted to a private estate home.
