THERE IS A SPACIOUS TERRACE THAT RUNS THE LENGTH
OF THE HOME ON THE JUNGLE SIDE...

Casa Dragonfly offers an idyllic setting in a tranquil part of Manuel Antonio known as Valle Pura Vida. Literally translated, the Valley of Pure Life comes as close to fulfilling the imagery that the name evokes.

Located in the heart of Manuel Antonio, just minutes from the town of Quepos and new Marina Pez Vela, as well as minutes to the beaches of the area and world famous Manuel Antonio National Park, this secluded valley provides convenience, security and tranquility to those looking for both convenience and serenity.

Casa Dragonfly is located near the end of a cul de sac, and offers up both a spacious one level main home as well as two, one bedroom apartments. The main home welcomes abundant light into a spacious one floor living option which is unique in the area.

Upon entering the double door entry, crafted from local hardwoods and glass, you are welcomed into a large open floor plan which includes a spacious kitchen, bar, dining and living space. Off this main common area there are two guest bedrooms and a full shared bathroom, along with the master bedroom with its private on suite bath and closet. There is a spacious terrace that runs the length of the home on the jungle side and the front of the home has a large covered terrace, ideal for outdoor dining or entertaining.

Off this covered terrace there is a large tropical hardwood sundeck which connects to the pool. Also included in the property are two, one bedroom apartments which are located next to the main house.

Presently the apartments and home are rented separately as long term rentals. These apartments each have their own kitchens, small living and dining areas, bedrooms and full baths.

This is an ideal place for someone looking for some passive income options as all can be rented short or long term, or would also be great for someone who wanted to live in one of the apartments or houses and rent the others to generate cash flow. A great value, a quiet and tranquil setting and lots of opportunity.

THIS IS AN IDEAL PLACE FOR SOMEONE LOOKING FOR SOME PASSIVE INCOME OPTIONS AS ALL CAN BE RENTED SHORT OR LONG TERM... LOTS OF OPPORTUNITY.
