

# Villa Vista Roca

Manuel Antonio

## Description

Villa Vista Roca provides an A-grade location, rental income, ocean views and turnkey property management - all at a rare and attractive price point. The European built structure is well maintained and has been one of the most popular rentals in Manuel Antonio. It is located within walking distance to some of the area's most well-known hotels, art galleries, restaurants, yoga and fitness studio and a many sunset bars - making it very marketable for rentals and personal usage.

Villa Vista Roca is a sturdy concrete structure with high ceilings, rare hardwood floors & decking (in great condition) and exposed beam ceilings. The sensible floor plan is easy to maintain, secure and allows for good circulation and great view appreciation. There is parking below the villa, several high-valued neighbors and a small grassy side yard. It's extremely difficult to find a well maintained, ocean view, income producing dwelling in this market. Inquire now for more details and a viewing.
