DEVELOPMENT OPPORTUNITY HACIENDA PARAISO

SANTA ANA

Essentials

List Price: \$128,000

Lot size: 561 sq.m.

Hacienda Paraiso is a gated community with existing beautiful homes and few apartment buildings. The location is fantastic and the development hosts lots of large mature trees which makes it a beautiful area to walk around in. This lot is one of the best lots left in Hacienda Paraiso. The lot is 90% flat and from a second story you would have a beautiful view of the central valley. The lot also allows for a single family home or for 6 apartments, up to three stories. The views would never be obstructed because the adjacent property is below this one and even if they built to height restriction of 3 stories your view would be protected due to the nature of the land. This is a property that will not last long on the market due to its flexibility of what can be done on the lot. A great investment.
