Best views in Jaboncillos! The views from the moment you walk into this home simply leave you at awe of the vast distant valley. The brilliant lights that shine over the valley at night capture your eyes from all living areas in the apartment.

Whether your in the kitchen, dining room , living room, or Master bedroom the views of the central valley can be seen through the expansive windows. The apartment has been fully remodeled with top finishes on flooring, countertops, and lighting. It is a one of a kind in the building and that's what sets it apart from the rest.

The location of this residence is one to be desired. Walking distance to shopping and cafes and small grocery stores is one of the best assets of this location. Jaboncillos is known as one of the nicest and safest neighborhoods in Escazu because of its vicinity to La Paco it is also one of the most desirable too.

The building hosts 2 apartments per floor which adds to a nice sense of privacy. When arriving to this apartment you feel like you really have walked into something very special.

The home is taken care of in all the details you can imagine. The extraordinary size of the apartment allows you to feel as if you are in a large home. The spacious living areas is great for those who love to host friends and family. It is a great entertainment home. The apartment has 3 bedrooms and 3 1/2 baths plus full maids quarters off the remodeled kitchen. The bedrooms are separated from the living areas of the home for extra privacy.

The two secondary bedrooms face off to the south east Escazu green mountains. These two bedrooms are of very nice size compared to other apartments in the area. Each bedroom hosts its own bathroom as well. The retreat like master suite has extra privacy because its found at the end of the corridor. The master bedroom is one to be desired. The bedroom hosts so many details from the unique nightstand lighting, to panoramic city views, and the floor to ceiling windows. This bed room is spacious in size. In the large master bathroom with dual vanities you feel as if you are in a high end resort.

The walk in closet is also found off the bathroom. This property has some of the nicest distributions of large spaces and views in the entire area. There is also great cross ventilation throughout the apartment. Do not miss out on this impeccably maintained and remodeled home.
