

NATIVA OCEAN VIEW LOT #33

CENTRAL PACIFIC COAST

Essentials

List Price:	\$143,750
Lot size:	1,881 sq.m.

Nativa is a beautiful condominium complex in the Central Pacific of Costa Rica. Located in between the Pacific Ocean and the Carara National Park the rainforest and wildlife is abundant in this property.

This lot is very secure and conveniently located inside the resort. It sure has a wonderful possibility for your dream ocean view home. Lot #33 is 1880.75 sqm. The lot has the potential to build your own home, pool, jacuzzi and entertainment areas.

If you have visited the Jaco area, the Nativa resort is known for the beautiful entrance after the Croc's bridge, it is only 1hr and 15 min from the San José airport.

Nativa is located right next to Tarcoles and several beaches are 5 to 30 min in distance. Boats crossing the Ocean and whales moving from North to South or viceversa are some of the often seen during the year. Punta Leona, Los Sueños, Jacó and Playa Hermosa are all near.
