Casa Billfish is a 2 bedroom 2 bath home located in the community of Finca Gloriana, about 10 minutes from the services of Quepos and 20 minutes from the attractions of Manuel Antonio.

This newly built home sits on an acre and a 1/4 of land, which has been terraced to maximize the usable space. With this amount of space the addition of a pool, guesthouse, workshop or combination of those is easily achieved. The home is modern and inviting with an open kitchen, dining, and living floor plan, making it great for entertaining when you have guests over.

The chef's kitchen comes equipped with stainless steel appliances, marble countertops, custom wood cabinets and a large island ideal for food preparation. The Primary Bedroom is equipped with A/C an en suite bathroom and enjoys access to the outdoor terrace. The guest bedroom opens up to a small terrace with garden views and has easy access to the guest bathroom. Built in 2018 by well known local builder David Garro this home comes with an in-ground sprinkler system, ambient outdoor lighting, and a full laundry room. There is also ample storage in the outdoor bodega. The gardens have been expertly planted with tropical fruit trees, gorgeous flowers, ornamental plants, and fresh herbs.
