PLAYA CONCHAL, FLAMINGO

Essentials

List Price: \$598,500

Lot Size: 1,104 sq. m.

Developed over time with state-of-the-art, master planning that makes the most out of the stunning landscape, rolling topography, and postcard beach backdrop of Playa Conchal, Reserva Conchal is an exclusive oasis.

With 2300 acres hosting the Westin and the W Hotel, this development represents the pinnacle of Costa Rican real estate. From an 18-hole golf course designed by Robert Trent Jones, immersive hiking and mountain bike trails, and a large beach club with a spa and restaurant just steps from the stunning white sands of Playa Conchal, this resort offers first-world amenities like no other in the area.

The Ceibo lots in Reserva Conchal were released in early 2022 before quickly selling out. They consisted of 10 exclusive lots with direct views of the 16th hole of the development's award-winning golf course. Location-wise, Ceibo is the closest subdivision to Playa Conchal, at a short 10 minute walk, or an even briefer bike ride or golf cart ride. The combination of both golf frontage and its proximity to the beach makes Ceibo one of the most sought after communities within Reserva Conchal.

Lot #2 in Ceibo has an area of 0.27 acres (1101,41 m²). Its topography allows maximum views of the golf course, and includes beautiful endemic trees that provide natural privacy to the property, a tropical detail that can be integrated into the house's design as desired.
