Located in the heart of Lindora, Casablanca Hacienda Lindora Residence is a true gem inspired by Moroccan architecture, and incorporating some beautiful Spanish accents.

The residence has two accesses, the main one and the service one go through the garage, while two garden accesses allow entrance from each side of the house. As one enters this spectacular property, you're immediately greeted by a Moroccan foie that gives way to a very wide living area where the living and dining rooms are.

On the left side, you'll see the kitchen with granite countertops, with its own terrace and garden access, perfect for dining and hosting events. On the right side of the residence, the first floor boasts a spare room perfect for an extra bedroom or office with its own private full bathroom. Finally, a full service quarter with its own bedroom and private bathroom, and a wide storage room rounds off the level.

As you make your way towards the second floor, two staircases lead to a TV room surrounded by three vast bedrooms, each with their own private bathroom. Additionally, the master suite has a jacuzzi, shower and a wide walk-in closet.

Casablanca Hacienda Lindora Residence fully makes its Moroccan and Spanish architecture, from the granite to the high ceiling design, an integral part of its identity. Minutes away from the top restaurants and schools in the Central Valley, this is a gorgeous architectural gem that serves double purpose as a great home for family life and social gatherings!
