

Del Mar Condo 2i

Los Sueños, Puntarenas

\$445,000

Description

Located within the world famous, Marriott Los Suenos Resort and Marina, this Del Mar unit offers an investor a well priced, ocean and marina view unit. This condo is the best priced ocean view condo in Los Suenos. The condo is fully furnished by a professional decorator, and comes turn key. This particular condo is located on the second floor therefore, offering panoramic views of the ocean, marina, golf course, and mountains behind the project. The unit is priced to sell, well under the price of most of the other resales in the Del Mar. The current owner has been very selective with his rental clients as he has not been interested in volume. However, the potential for large % return is endless, depending on your motivation. There is not a more prestigious location on the entire Pacific Coast as the Los Suenos. With a proven history, this development is the most successful on the coast in Costa Rica, offering investors with an extremely solid investment, as well as access to the highest level of amenities around. There is an 18 hole golf course, world class marina, multiple restaurants, shops, 24hour security, all within the most well planned out development in Costa Rica.
