

Casa Serenidad

Manuel Antonio, Puntarenas

\$479,000

Description

Casa Serenidad has just been brought back to the market and offers a unique opportunity here in the area for a turn key ready home with panoramic views, with a large and serene setting. This 4 bedroom, 2.5 bathroom home is set on a nice lot that overlooks the Valley. The home sits front row with zero obstructed views for those times the Macaws fly by. The location is in a quiet area in Valle Pura Vida, Manuel Antonio with stunning views and cool breezes. The home is located under a mile from the main road in Manuel Antonio with all the services, amenities, restaurants and activities, but feels a world apart with its quiet location. This is an ideal property for a personal residence or continued use as a luxury vacation rental which it has been used for in the past. The property is well maintained and is a turn key ready operation whose bedroom count makes it a great value for families or groups visiting the area. The home has a spacious tiled swimming pool area, which are the centerpiece of the external living space. Inside, each of the bedrooms offer spacious and well appointed finishes and furnishings. The main living area boasts an enormous amount of natural light and a wonderful cooks kitchen ideal for entertaining while drinking in the beautiful views.
