

FLOOR THROUGH UNIT#2
2ND FLOOR
 APPROXIMATELY 748 SQ FT

This is new construction and construction of the Condominium is "on-going". The Condominium Documents have not yet been recorded with the Registry and, as such, the layout and all dimensions are "good faith estimates" and are approximate and may vary from the final "as built" plans due to building and construction conditions and circumstances beyond the Seller's control. Because of the uncertainties inherent in construction, the BUYER acknowledges that it is impossible to warrant that the square footage of the Unit. Floor plans are for presentation purposes only.
