

ESTABLISHED CHILDCARE & EARLY EDUCATION PROVIDER

CHILDCARE SERVICES • EARLY EDUCATION • EARLY CHILDHOOD EDUCATION

This established Southwest Michigan childcare provider generates predictable recurring revenue through tuition-based programs and operates from a modern purpose-built facility. The Company benefits from an experienced management team, low employee turnover, strong parent satisfaction, and established operating systems that support efficient day-to-day operations.

With limited owner involvement, available growth capacity, and favorable industry trends, the business is well-positioned for continued success under new ownership. Ownership is pursuing retirement and is committed to supporting a smooth transition.
